Graduation with Honors

Honors at graduation are awarded to undergraduate students in the three classifications below:

- **cum laude** means "with praise" and goes to students with grade point averages of 3.60 to 3.74,
- † **magna cum laude** means "with great praise" and goes to students with grade point averages of 3.75 to 3.89,
- ‡ **summa cum laude** means "with highest praise" and goes to students with grade point averages of 3.90 to 4.00.

Graduates who have achieved the above designations were awarded the Honors Medallion at a separate ceremony on May 20. The medallion depicts a laurel wreath surrounding the seal of California State University, Hayward. Our honors graduates wear their medallions today as a demonstration of the University's commitment to academic excellence.

Honors notations for Winter, Spring and Summer Quarter graduates are based upon student records as of the end of the Winter Quarter. Official designations are dependent upon the complete student record.

Regalia

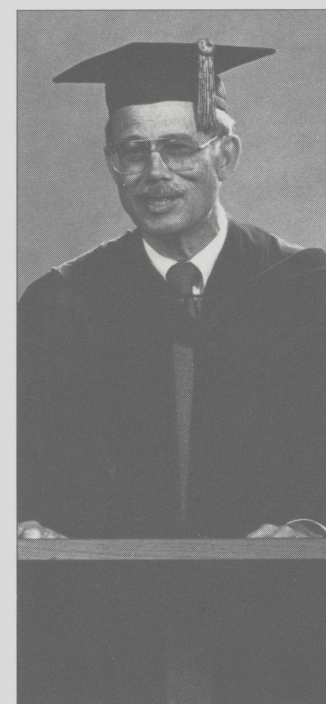

The academic regalia worn at Commencement continues a tradition which began in twelfth century Western universities when robes and hoods were the standard garments of the day. This tradition was revived in the United States during the seventeenth century by students who felt the robes not only added dignity to the commencement ceremony, but also provided uniform dress for rich and poor graduates alike.

All candidates for degrees wear plain black gowns and black mortarboard hats. For the faculty, the type of gown and the color of the hood designate the field in which the individual received his or her highest degree. In some cases the color of the gown also indicates the institution from which that degree was granted. Bachelor's and master's gowns have pointed sleeves. Doctoral gowns have rounded, open sleeves. There are no trimmings on the gown for bachelor's and master's degree recipients. Doctoral gowns are trimmed down the front with black velvet and have three velvet bars across the sleeve. In some cases, the gown is trimmed in a color designating the field of study rather than in black.

Hoods are worn around the neck and over the gown. Cal State hoods are lined with the University's colors: red, white and black. The outside of the hood is trimmed in a color representing the discipline in which the graduate earned the degree.

The doctoral cap is worn with a gold tassel. Exceptions to the mortarboard may be present.

PRESIDENT'S MESSAGE

California State University Hayward Thirtieth Commencement

Dear Graduates:

The theme of 1989-1990 might well be "expect the unexpected." We've seen amazing changes around the world this year and we've seen some dramatic ones at Cal State. A month ago, I didn't expect to be writing the "President's Message." But Ellis McCune, President of Cal State Hayward for the past 23 years, was just appointed Acting Chancellor of the California State University system.

Change comes in many forms and tempos. Today's Commencement ceremony marks a significant change for you, but it hasn't been sudden or unexpected. You've planned and prepared, moving step by step toward your goals. One of the greatest joys of a day like this is that feeling of accomplishment. Today you know that all destinations are within your reach.

Don't let that feeling fade.

What you've experienced at Cal State Hayward is a mirror of the challenges and rewards that are ahead of you. We've asked discipline, concentration, sacrifice and effort from you. It's been a crucial test and you've succeeded. Let this inspire you to accept other challenges for yourself and for the benefit of our community.

Sincerely yours,

Maurice Dance

STATEWIDE NURSING PROGRAM

California State University, Dominguez Hills

The Statewide Nursing Program of California State University, Dominguez Hills offers fully accredited nursing programs throughout California authorized by the Chancellor of the California State University. Degrees and certificates are awarded by the Statewide Nursing Program, California State University, Dominguez Hills in the name of the Board of Trustees of the California State University. While not degree candidates of California State University, Hayward, these local candidates are invited to participate in school commencement exercises.

School of Business and Economics

Music and Business Building Peristyle

School of Science

Theatre Courtyard

Notes and Acknowledgements

The closest restrooms and water fountains are located in Robinson Hall, the Music and Business Building and the Arts and Education Building.

For emergency purposes, personnel are on duty at the Student Health Center.

For those who wish to photograph graduates, there is a photography area in front of the stage. Please do not linger in this area, as the space is limited. A photographer will photograph all graduates, individually, as they are congratulated by the President. These photographs can be ordered at the photography information tables.

A personalized videotape (VHS) of Commencement is available for \$30. To place an order, call University Relations and Development at (415) 881-3724.

Disabled Student Services provides assistance to guests and graduates. Wheelchairs are available in Parking Lot K. Special seating, where the Commencement exercises are interpreted in sign language, is available for the deaf and hearing impaired.

The University is pleased to acknowledge the support of Abbey Medical of Hayward, for generously loaning several wheelchairs for this event again this year.

The Pioneer Bookstore is open today from 7:45 a.m. to 4 p.m. for problems with caps and gowns. Film, graduation gifts and memorabilia are also available for purchase.

The students whose names appear in this program were considered candidates for the degrees indicated at the time the program was printed; this is not an official degree list.

The audience is asked to remain seated until all graduates have left the Commencement area.
